

**CULTURAL MUSEUM OF KUANZHAI XIANGZI:  
CREATING NEW PATH FORRENOVATION OFHIGH STREET**

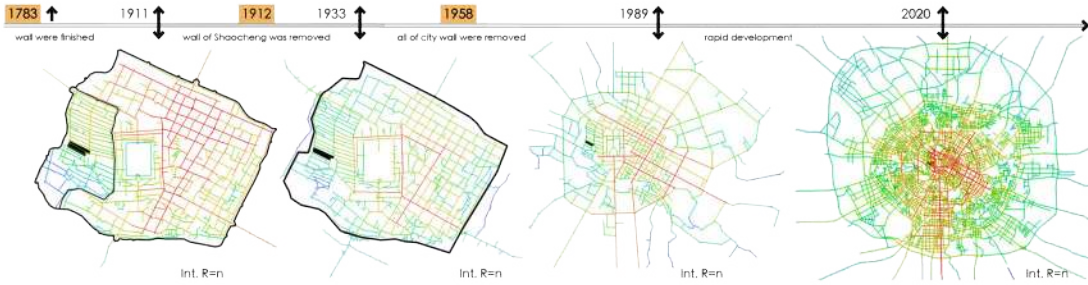

# Object - KUANGZHAI XIANGZI

Kuangzhai Xiangzi, a famous 'historical and cultural district' in Chengdu, China. It's a crowded tourist attraction, also a famous high street in the city.

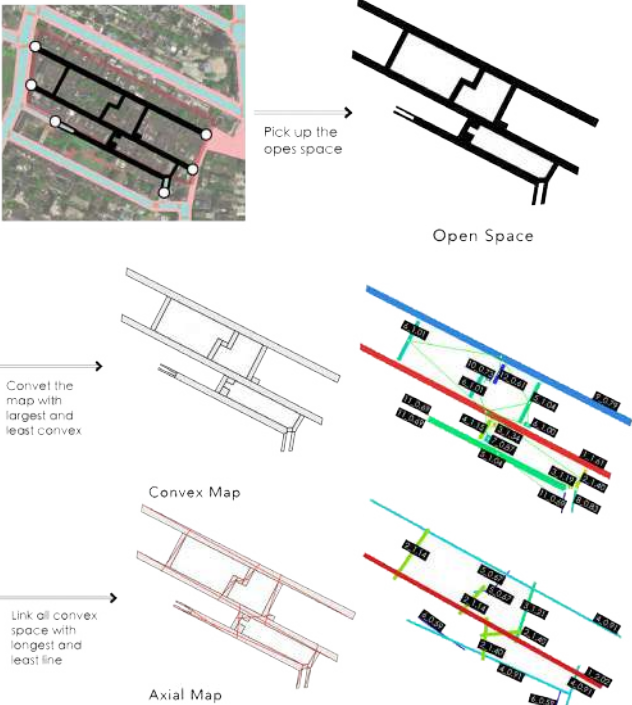

1980s, KZ was included in the 'Chengdu Historic and Cultural City Protection Plan'. In 2003, the historic and cultural reconstruction project of the KZ has been confirmed. The plan pointed out that build the KZ into a at complex cultural commercial street. In 2005, Nearly 900 local families were removed, including more than 50 courtyards, and 30,000 square have been repaired and renovated. The reconstruction work started and finished in 2007, then open to public in 2008.
